### III. Department Requirements

- **72 credits outside JTC**
  - Current total: ________________

- **Statistics course - 3 credits**
  - JTC 270 is recommended, but any statistics course offered by any department will count.
  - Course completed: ________________

- **Second Field - 21 credits**
  - A coherent program of coursework outside the major to develop a depth of knowledge in another subject. Courses used to fulfill AUCC requirements cannot count toward the Second Field. A minimum of 12 credits must be upper division (300- or 400-level). Choose one:
    - **Second major:** _______________________
    - **Minor:** _____________________________
      - If a minor that includes JTC credits is selected, the student must use additional non-JTC credits to complete the Second Field.
      - **21 credits in one or two prefixes:**
        - ____________________________________________
        - ____________________________________________
        - ____________________________________________
        - ____________________________________________
        - **An individualized program of study approved by adviser:**
          - ____________________________________________
          - ____________________________________________
          - ____________________________________________
          - ____________________________________________

- JTC courses with a grade of C- or lower will not count toward departmental graduation requirements.
- No more than 7 credits total in JTC 484, JTC/LB 487, and JTC 495 will count toward graduation requirements.
  - Current total: __________
- No more than 4 credits of JTC internship and/or practicum will count toward graduation requirements.
  - Current total: __________
- Completion of more than 48 JTC credits will cause the student to exceed the university minimum of 120 credits and may delay graduation accordingly.
