### III. Department Requirements

- 66 credits outside JTC  
  Current total: ___________
- Statistics course - 3 credits  
  JTC 270 is recommended, but any statistics course offered by any department will count.  
  Course completed: ___________
- Second Field - 21 credits  
  A coherent program of coursework outside the major to develop a depth of knowledge in another subject.  
  Courses used to fulfill AUCC requirements cannot count toward the Second Field.  
  A minimum of 12 credits must be upper division (300/400 level).  
  Choose one:  
  - Second major: ___________
  - Minor: ______________________  
    If a minor that includes JTC credits is selected, the student must use additional non-JTC credits to complete the Second Field.  
  - 21 credits in one or two prefixes: ___________
    __________ _________ _________ _________  
    __________ _________ _________ _________  
    __________ _________ _________ _________  
  - An individualized program of study approved by adviser:  
    ________________________________
    __________ _________ _________ _________  
    __________ _________ _________ _________  
    __________ _________ _________ _________  

- JTC courses with a grade of C- or lower will not count toward departmental graduation requirements.
- No more than 7 credits total in JTC 484, JTC/LB 487, and JTC 495 will count toward graduation requirements.
- No more than 4 credits of JTC internship and/or practicum will count toward graduation requirements.
- Completion of more than 54 JTC credits will cause the student to exceed the university minimum of 120 credits and may delay graduation accordingly.
